AL (Serves all areas)	Transportation	Medicaid Non-Emergency Transportation Program (NET)	(800)362-1501							Financial Assist. For medical appoints	<p>Medicaid's NET program is set up to help pay for rides to and from a doctor's office, clinic or other place for medical care that can be planned ahead of time. This ride can be in your own personal car, a car of a friend, neighbor or family member, or on a bus or van. You can also get a ride on a city bus or from a group in your town or area.</p> <p>In order for Medicaid to pay for a ride, the person who is going to the doctor or clinic must be covered by Medicaid for the visit they are going to make and should be approved for the ride ahead of time. How does the program work? In order for Medicaid to pay for a ride, you (or someone who is helping you) will need to call Medicaid's toll-free number at 1-800-362-1504 at least five days before the ride is needed. When you call, the operator will ask you for some information to make sure you are covered by Medicaid and also about your need for a ride. This information will be used to decide if Medicaid can pay for your ride. The NET hotline will be open 8:00 a.m. to 4:00 p.m., Monday through Friday, except on major state holidays.</p> <p>Reminder: Call 5 days in advance: 1-800-</p>
