****** Webinar Access and invites will be sent prior to each meeting******

We will continue to plan these meetings advance so that all of our providers have the ability to attend. Meeting topics will be updated and announced prior to meeting date.

*****Attendance*****

Over a twelve (12) month period, the Primary Care Physician (PCP) Group must participate in at least three (3) quarterly Medical Management Meetings. Attendance requirements can be met by having one primary care physician, Nurse Practitioner, or Physician Assistant from the Group attend. One of the three (3) can be attend to receive credit.

******Important Reminder******

As a final and very important note, we are required to report your participation (or lack thereof) with the network to the Medicaid Agency. If you fail to fulfill your obligations either by not attending the required number of meetings on an average basis or by not actively participating with the network (e.g. not allowing case managers to work with your office), you are at risk of your contract being cancelled.

This would mean that your rate would be the base fee for service rate and you would not be eligible for any bonuses. If you meet these criteria, you will receive the enhanced participation rate along with the bonuses for the first year. Thereafter, your bonuses will be based on the calculations as explained by Medicaid. These obligations are nonnegotiable and have been set by Medicaid.
