****** Webinar access and invites will be sent prior to each meeting******

Due to the Public Health Emergency (PHE), all meetings are held via webinar at this time. Once the PHE ends, we will adjust the schedule to accommodate the meeting requirements of the Agency, which may include attending meetings in-person. We will continue to plan these meetings well in advance so that all providers have the opportunity to attend. Meeting topics will be determined and announced prior to the meeting date.

*****Attendance*****

Over a twelve (12) month period, the Primary Care Physician (PCP) Group must participate in-person in at least two (2) quarterly Medical Management Meetings and one webinar/facilitation exercise with the Entity's Medical Director. Attendance requirements can be met by having one primary care physician, Nurse Practitioner, or Physician Assistant from the Group attend. Any one of the three (3) can attend to receive credit.

******Important Reminder******

As a final and very important note, we are required to report your participation (or lack thereof) with the network to the Medicaid Agency. If you fail to fulfill your obligations either by not attending the required number of meetings or by not actively participating with the network (e.g. not allowing case managers to work with your office), you are at risk of your contract being cancelled. This will affect your ability to receive your bonus payments for quality and cost effectiveness. These obligations are nonnegotiable and have been set by Medicaid.

******Please feel free to contact us with questions******

Please contact Dinah Moore, Quality Care Manager, at Dinah.Moore@MyCareAlabama.org or 205-790-3562 to RSVP for upcoming meetings or for any questions or concerns.
