****** Webinar access and invites will be sent prior to each meeting******

All meetings are held via webinar at this time. We will continue to plan these meetings well in advance so that all providers have the opportunity to attend. Meeting topics will be determined and announced prior to the meeting date.

*****Attendance*****

Over a twelve (12) month period, the Primary Care Physician (PCP) Group must participate in at least three (3) quarterly Medical Management Meetings with our Medical Director. Attendance requirements can be met by having one primary care physician, Nurse Practitioner, or Physician Assistant from the Group attend. One of the three (3) can be attend to receive credit.

******Important Reminder******

As a final and very important note, we are required to report your participation (or lack thereof) with the network to the Medicaid Agency. If you fail to fulfill your obligations either by not attending the required number of meetings or by not actively participating with the network (e.g. not allowing case managers to work with your office), you are at risk of your contract being cancelled. This will affect your ability to receive your bonus payments for quality and cost effectiveness. These obligations are nonnegotiable and have been set by Medicaid.
