All	Adult Services	Age Line	201 Monroe St., Suite 350	Montgomery	(800)243-5463	information and assistance for older adults, individuals with disabilities and their caregivers	Aging and Disability Resource Centers (ADRCs) are part of a national initiative put in place by the Administration for Community Living to provide access to information and assistance for older adults, individuals with disabilities and their caregivers. The ADRC acts as a no wrong door for those needing assistance by providing benefits screening, education and options counseling on long term care services and supports. It is also an entry point for professionals, caregivers, and family members to seek resources and assistance on behalf of their clients, friends or family members. All callers are screened for assistance utilizing a universal screening tool that prevents the caller from having to give the information numerous times. Referrals are made on behalf of the individual needing assistance and follow-up is provided for quality assurance. The ADRC will offer extended assistance to those who choose an advocate to assist with application for services and benefits. ADSS strives to support individuals with the tools they need to make informed decisions and maintain their independence in the community of their choice.

All	Health Services	Alabama Medicaid Agency	3060 Mobile Highway	Montgomery	(800)362-1504	Medical Services	Medicaid is a health insurance program for certain low-income and needy people paid with Federal, state, and county dollars. It is the largest program providing medical and health-related services to Alabama's poorest people-- including children, the aged, blind, and/or disabled, and people who are eligible to receive Federally assisted income maintenance payments. In order to qualify for this benefit program, you must be a resident of the state of Alabama, a U.S. national, citizen, permanent resident, or legal alien, in need of health care/insurance assistance, whose financial situation would be characterized as low income or very low income. You must also be either pregnant, blind, have a disability or a family member in your household with a disability, be responsible for children under 19 years of age, or be 65 years of age or older. Visit https://medicaid.alabama.gov/content/10.0_Contact/10.1_Medicaid_Contacts/10.1.1_Medicaid_Locations.aspx for office locations
All	Health Services	Alabama Regional Medical Services (ARMS)	712 25th Street North	Birmingham	(205)407-6900	ARMS incorporates prevention and health promotion, treatment of illnesses, and management of chronic diseases to improve the overall quality of life for our patients and all communities.	Deterrents to healthcare access, barriers of language, race, and ethnicity, create situations whereby individuals are less likely to use primary care and preventive services; less likely to follow medication regimens and more likely to use Emergency Rooms. ARMS is breaking down those access barriers by being your Primary Care Medical Home to all under-served, uninsured, and low-income residents in all communities.
